

Farm to Canvas: Farm Star Living Inspires Your Inner Picasso!

Farm Retreats, Workshops, Classes, Camps & More

Atlanta, GA -- Mar 11, 2015 / (<http://www.myprgenie.com>) -- Farm Star Living, the national lifestyle brand that highlights farms, farm-fresh foods, and the farm-to-everything movement, showcases farms to cultivate and inspire artistic expression. Featuring farms providing art retreats, workshops, classes, festivals and even lodging for artists, these farms offer not only a place to feed one's appetite, but one's artistic soul.

"We all need creative expression, and these farms offer a range of activities to inspire it!" says Mary Blackmon, Founder of Farm Star Living. "Whether someone wants more artistic endeavors in their lives or their children's, Farm Star Living has found farms offering a huge range of art-inspired retreats, events, workshops, classes, camps and even art-inspired living."

The website www.farmstarliving.com not only highlights these farms selected for Farm-to-Canvas, but also boasts a national **Farm Fun Finder** profiling hundreds of farms with searchable activities including B&Bs, berry picking, camping, corn mazes, dairy farms, milk-a-cow farms, goat cheese making classes and more. Plus hundreds of farm-to-table restaurants in their **Farm-to-Table Finder**, as well as healthy recipes, nutrition facts, and trivia in their **A-Z Farm Food Guide**. All of this is created to support the farmer, aka '**Farm Stars**.' Whether embarking on a farm visit, dining at a farm-to-table restaurant, or purchasing more farm-fresh food, Blackmon says it's easy to support our farmers simply by embracing this way of life – a lifestyle she coined as *Farm Star Living*.

Farm Star Living also offers the first mobile app showcasing Farm-to-Table restaurants as well as Farms across the country that are open for fun — searchable by location, name, or by proximity to you. The Farm Star Living app is a free download for Android, iPhone, and iPad.
