

**Farm Star Living presents
Well•Pict Berries' Crazy Berry Love Sweepstakes**

ATLANTA, GA-- (Nov11, 2015) [Farm Star Living](http://www.farmstarliving.com), a national lifestyle brand promoting the farm to *everything* movement and a healthy lifestyle, is proud to announce an exciting sweepstakes with Well•Pict Berries – and just in time for Valentine’s Day! One lucky winner will win a beautiful Chocolate Fondue Set and a decadent gourmet basket of chocolates – a \$250 value – now that’s a lot of love.

“February is all about celebrating love and romance, and when it comes to romantic foods, I can’t think of a more romantic combination than strawberries and chocolate! That’s why we are thrilled to partner with Well•Pict Berries this month, the experts in growing delicious strawberries!” says Mary Blackmon, Founder of Farm Star Living. “Well•Pict Berries’ strawberries are so flavorful and fresh from the farm. This month their long-stem strawberries are just the ticket.”

To enter the sweepstakes, just visit the Farm Star Living website at www.farmstarliving.com/wellpict and enter, no purchase required. To better your chances you can enter daily. The sweepstakes runs now – February 29th. Winners will be announced on the Farm Star Living and Well•Pict Berries Facebook sites early March.

About Farm Star Living:

Launched in October, 2013, the website www.farmstarliving.com showcases the farm to *everything* movement and promotes a healthy lifestyle, filled with fresh foods and information on how you can obtain a lifestyle that’s farm-centric. With great resources including [A-Z fresh food health guide](#), farmer profiles, a [Farm to Table Finder](#), a national [Farm Fun Finder](#) (directory of farms and their activities) and more. Founder Mary Blackmon says, “It’s easy to support our farmers everywhere simply by embracing this farm-supportive way of life – a lifestyle we call *Farm Star Living*.” Follow Farm Star Living at www.facebook.com/farmstarliving and [@farmstarliving](#) on Twitter, Instagram, and Pinterest.

About Well•Pict Berries

Founded in 1969, Well•Pict Berries grows and ships premium proprietary-variety strawberries year-round and raspberries seasonally. Every Well•Pict berry comes from non-GMO proprietary varieties grown the old-fashioned way through cross-pollination to create the superior flavor, size, and color that Well•Pict Berries is known for. Well•Pict Berries is proud of their record of superior service, dedication, and the ability to meet individual needs of their customers. Well•Pict Berries can be found nationally across the U.S., Canada, and some international markets. For more information visit Well•Pict’s website at www.wellpict.com.
