

Farm Star Living Selects the Top 10 'Glamping' Sites in the USA!

**Atlanta, GA** -- Jul 13, 2015 / (<http://www.myprgenie.com>) -- Farm Star Living, a national lifestyle brand promoting the farm to *everything* movement and a healthy lifestyle, has identified the 10 most luxurious, breath-taking and scenic 'glamping' sites across the USA. 'Glamping' is simply glamorous camping, a twist on the favorite summer pastime of camping.

"We wanted people to be inspired and amazed," says Mary Blackmon, Founder and Farmer-In-Chief, Farm Star Living. "We know not everyone likes to get dirty, so we wanted to showcase the top destinations where you can still be in nature without having to deal with all the dirt, work and bugs that come with regular camping. We researched the settings, cuisine, and amenities offered when putting together our list of *Top 10 'Glamping' Sites* across the USA. From butlers to private chefs to luxurious bedding in jaw-dropping tents and even yurts, these destinations offer something for anyone who wants to camp in style and be dazzled by the environment and their accommodations."

Some of the top picks include a true luxury Wild West mountain retreat, which was a ghost town but now offers 5-star luxurious 'glamping' tents as well as healing hot springs, located outside of Telluride, Colorado. Another in California feels like an African adventure because you are immersed in a wildlife reserve while being pampered within your beautiful, authentic African tents in the 'jungle.' One is a sustainable resort and sanctuary for wild horses – Mustangs, and offers safaris, in-tipi spa services, rope courses and must-hear story-telling of America's history in the West. Yet another offers luxurious yurts, which have heated floorboards, delicious cuisine, award-winning wines, cooking classes and offers 700-acres of state forest lands.
